After the Cabal gets removed from office

I had almost a day to think about this The Message in this video was actually a hand off to the states the states are the ones who have to remove federal

control from the states and then as a group reestablish or create for the first time a Republic form of government of these united states of America

everything was put into play for us to do this we just have to implement it

devolution was just to set the playing field up for fair play
